

VILLAGE OF COVINGTON

COVINGTON COUNCIL NEWS | Issue 109 | February 2022

Covington Government Center | 1 South High Street | 8AM- 4:30PM Monday – Friday | 937.473.3420

VILLAGE PROJECTS UPDATES!

Schoolhouse Park Project

- The Village received a very generous donation from UVMC towards Schoolhouse Park of \$450,000.00. This money will be used to develop Phase 1 now!
- We will be working with engineers and consultants to begin the design process soon.
- The Village applied for a LWCF grant in November and will find out if we were fortunate enough to receive the funding in Spring 2022. This funding will allow additional amenities to be constructed in 2022, if the funding is obtained.
- Old Rudy Elevator Property: The Village is working on having this property demolished and will update when funding is in place for its demolition, hopefully in March.

Wastewater Treatment Replacement Project

- The Village has entered into an agreement to have the plant designed and that work will continue throughout 2022. The schedule is currently estimated that design and EPA approval of the design of the plant will occur through August 2022.
- In September through November of 2022 the project will be bid out for construction with construction estimated to start in January 2023.

High Street Project

- The project will be bid out by ODOT in February 2022. All plans, approvals, and funding have been put in place for the project.
- The work will have 3 phases, and generally is scheduled to last until November.
- The Village has approved legislation to add more four-way stops in the Village and has purchased additional signage to help improve the detour issues that were created during the last project.

Notes for the Month of February and Beyond:

- The February **Holiday Schedule** will be the following: February 21 the Government Center will be closed in observance of President's Day. Trash Service will be delayed one day.

Administration
