

VILLAGE OF COVINGTON

COVINGTON COUNCIL NEWS | Issue 108 | January 2022

Covington Government Center | 1 South High Street | 8AM- 4:30PM Monday – Friday | 937.473.3420

VILLAGE PROJECTS UPDATES!

As we head into 2022 here are some updates for the major projects in the Village heading into the year. The Village will hold a **State of the Village** address as part of the January 18th Village Council Meeting.

Schoolhouse Park Project

- The Park has been divided into three phases, with Phase 1 being designed and developed now.
- Funding for Phase 1 of the park has been obtained, so Phase 1 will start construction in Spring 2022!
- The Village applied for a LWCF grant in November and will find out if we were fortunate enough to receive the funding in Spring 2022. This funding will allow additional amenities to be constructed in 2022, if the funding is obtained.

Wastewater Treatment Replacement Project

- The Village has entered into an agreement to have the plant designed and that work will continue throughout 2022. The schedule is currently estimated that design and EPA approval of the design of the plant will occur through August 2022.
- In September through November of 2022 the project will be bid out for construction with construction estimated to start in January 2023.

High Street Project

- The project will be bid out by ODOT in February 2022. All plans, approvals, and funding have been put in place for the project.
- The work will be phased, but generally is scheduled to last until November.
- The Village has approved legislation to add more four-way stops in the Village and has purchased additional signage to help improve the detour issues that were created during the last project.

Notes for the Month of January and Beyond:

- The January **Holiday Schedule** will be the following: January 17 the Government Center will be closed in observance of Martin Luther King, Jr. Day. Trash Service will be delayed one day.

Administration

Mayor | Edward L. McCord
