The following is the Covington School Resource Officer Report for April 2021.

The month of April was a slow month with all of the state testing going on with our students, but there are still a few things that I was able to do with our students this month.

The mock crash that was scheduled for April 21 was unfortunately cancelled due to weather. I would like to thank Mrs. Iddings for all of the hard work that she put forth into organizing the event even though we were unable to have it. I know that the students were looking forward to having the event as it would have been the first high school event that all of our students would have been able to attend together this school year due to COVID. We will have a mock crash next year due to not being able to have one this year as this is typically a bi-annual event.

On Saturday, April 24 I worked Prom. The event was at the Romer's Catering and Event Center in Piqua. The event took place from 530 until 930 and it went smoothly. I enjoyed interacting with our students in a formal event outside of school.

On Tuesday, April 27 I joined Miami County Safe Communities in doing their annual seatbelt challenge. The event took place in the Covington High School student lot as the students drove into the parking lot. The event consists of watching all of the students that drive into the lot and seeing if they are wearing their seatbelt or not. Our school did very well with the amount of drivers wearing their seatbelts. Miami County Safe Communities does this event every year and they do it at every school.

The SRO activity report continues onto the next page.
