The following is the Covington School Resource Officer Report for May 2021.

The month of May has been a busy month for the school as there has been plenty of events and activities where I have been involved in having good and positive interactions with our student's district wide.

On Wednesday, May 5 the police memorial took place at the Miami County Court House in Troy. I had the privilege of being involved in the Honor Guard. This memorial ceremony takes place every year to honor the fallen officers of years past from all law enforcement agencies in Miami County.

On Thursday, May 6 I escorted our kindergarten classes to the Covington Fire House. The students went there on a field trip. The students were able to see and go inside all of the fire trucks and see the equipment. They were also given a lesson from one of our Fire Department members on fire safety and how to get help in case of an emergency at their home. All of our kindergarten students seemed to have a blast.

On Friday, May 14 I organized a senior students vs. first responders/school staff kickball game. The game took place at Smith Field and we were able to have the 7-12 grades student body in attendance. I believe that this was a fun event for the students and a fun and positive way for the students to interact with our staff and first responders. I hope that we are able to continue this event in years to come as it shows the students that we are not always in uniform.

On Friday, May 21 the school had its annual awards ceremony in the High School Gym. Students were presented awards for their academic and athletic achievements. Students who applied for scholarships and met certain criteria were also presented with scholarships from many different local scholarship organizations.

On Monday, May 24 I taught CPR to Mr. Tobias's freshman Health Class with nurse McCord. It is a requirement for graduation from the state. All of the students were taught how to use an AED and how to do chest compressions.

On Tuesday, May 25 I participated in Mrs. Edwards English class and "sat on the jury" as they gave presentations to the "court". The students did a great job and were very entertaining.

On Tuesday, May 25 I participated in the K-6 grades field day. Our younger students enjoyed getting the SRO wet in all of the water activities. I also helped prepare the students their lunches by grilling them hot dogs at the park.

The SRO activity report continues onto the next page.
