To Chief Lee Harmon:

The following is the School Resource Officer Report for September 2017.

September continued the trend that August started, it has been very busy for events and incidents in the Covington Exempted Village School District. We, as a district, continue to deal with bullying issues. We have encouraged our students over the past few years to make sure to tell a staff member or myself, if they are witnessing or being victimized by bullying. I believe that this message is getting through to our students, as we are having more and more reported. I personally don't believe that we have anymore occurring than in the past, it is just being reported. Also this month, we continued our Fall Sports Season with many home events as well as this year's Homecoming Events.

This month had a few special events that were not related to athletics, they were as follows:

-Friday, September 15: I attended the quarterly meeting of the Miami County Heroin Coalition at the Miami County Sheriff's Office Training Center. This meeting brings Law Enforcement, Mental Health Services, Addiction Services, County Health Department, Local Clergy, and many other organizations together in an attempt to counter the ongoing Heroin/Opioid Epidemic that is greatly effecting our region. During this meeting it was decided to use this gathering of organizations to help counter drug abuse in general in Miami County, not just Heroin/Opioid abuse.

-Friday, September 22: Covington High School's Homecoming Parade took place. This year was the first year in my time as the SRO that it did not rain before or during our parade. However, even with the excellent weather, attendance continues to dramatically decrease. On the positive side, we had no issues this year with vehicles trying to drive around road blocks and enter the parade route.

-Saturday, September 23: Covington High School hosted its annual Homecoming Dance with a Mardi Gras theme in the Covington Schools Cafeteria. This was a very well attended event, with many students commenting that this year's dance was the best one that they have had. It was a very successfully night on the Law Enforcement side, as we had zero issues with dance attendees this year.

-Thursday, September 28: I travelled with Covington High School P.E./Health Teacher Dave Tobias and Covington Junior High P.E./Health Teacher Matt Pond to the Montgomery County Education Service Center in Dayton, OH for a training on the Health and Opioid Prevention Education (HOPE) Curriculum. This curriculum is new and was developed at Wright State University over the past year by a team led by Kevin Lorson. Mr. Lorson was the instructor for this training, the purpose of which was to give all in attendance the overview and intent of the curriculum. Following this training, all in attendance were provided access to the materials, so that we can bring the curriculum back to our schools. The goal of Mr. Tobias, Mr. Pond and I are to team teach this curriculum to our students and also to incorporate our drug use prevention of other drugs and alcohol into this curriculum as well.

This covered the non-athletic events, the following are the athletic events that I either worked as Law Enforcement, volunteered in another roll, or was a spectator:

-Friday, September 1: High School Football at home vs. Minster High School

-Saturday, September 2: Covington High School's Home Cross Country Meet at the Eagle's Campground on Rangeline Rd. This year's meet included 13 local teams.

-Thursday, September 7: High School Volleyball at home vs. Newton

-Friday, September 8: High School Football at home vs. Fort Loramie
 -Thursday, September 14: High School Volleyball at home vs. Franklin Monroe
 -Friday, September 15: High School Football at Tri-County North
 -Thursday, September 21: High School Volleyball at home vs. Arcanum
 -Friday, September 22: High School Football at home vs. Arcanum
