To: Chief Lee Harmon

The following is the Covington School Resource Officer Report for September 2021.

The first full month of school has come and gone quickly as we are now halfway through the first nine weeks of the year. I have had several positive interactions with our students this month and I'm looking forward to a few things that have been planned for this school year.

On September 1, our school had our first safety meeting of the new school year. We discussed a safety grant that the school is applying for that would allow us to install door barricades. These barricades will be installed on all classroom doors if we get the grant money. These barricades will increase the safety of the school in the event of an emergency lockdown situation. In the meeting we also worked on reviewing our school's emergency plan.

On September 7, I had a Miami County Sheriff's Office K-9 Unit come to the school to do a drug sweep of the 7-12 building and lockers. No drugs were found in the searched areas of the building. Mr. Meyer and I walked with the deputy as he searched the building.

On September 8, our school had our second safety meeting where we worked on completing and updating our school's safety/emergency plan.

On September 10, I worked the Varsity Boys Football game vs. Troy Christian. Home game attendance seems to be back to normal with the COVID restrictions being lifted, and our students seem to be enjoying being able to participate in sporting events.

On September 15, I went to the Covington Noon Optimist meeting as our High School student council members were the guest speakers.

On September 15, our safety committee met for the last time for the month and the safety/emergency plan was finished and updated.

On September 24, I worked the Varsity Boys Football game vs Northridge.

On September 27, I had the opportunity to fly kites with Mrs. Dunn's STEM class in the K-8 parking lot. I felt it was a positive interaction with the students as they made their kites from limited materials.

On September 27, I was asked to participate in a skit for a High School film studies class. The class and I reenacted the beginning of The Fresh Prince of Bel-Air for the Buccaneer News.

These are just a few of the positive interactions that I have had with our students and staff for the month of September. So far this school year our students and staff have been great in the aspect of getting things back to "normal" from COVID.

The September SRO Activity Report follows on the next page.

**September 2021 Activity Report: ES=Elementary School, JH=Junior High, HS= High School,  
DW=District-Wide, SF= Smith Field, Blank=Surrounding Areas:**

09/02/21	21CO02261	Assist Agency (HS)	Bus Reds Ran

09/22/21	21CO02485	Assist Agency (ES)	Student Drop off Issue

There were a total of **3** incidents that directly involved the School District, staff or students during the month. These issues, among others, were also handled with school discipline when appropriate.

This concludes the September 2021 SRO Activity Report.
