

VILLAGE OF COVINGTON

COVINGTON COUNCIL NEWS | Issue 126 | July 2023

Covington Government Center | 1 South High Street | 8AM- 4:30PM Monday – Friday | 937.473.3420

Project Updates

- **Schoolhouse Park Project** – The remaining improvements to the Old Rudy Elevator property will be picking up again in July and completed by the end of the month. This includes the creation of a new roadway and gravel parking lot. The roadway will be named in July, so please be sure to keep an eye out on the Village Facebook page for a poll to help determine the name of the roadway. The contractor for the site work on the main portion of the park will also begin moving dirt in July but will be waiting for the procurement of materials to complete the project which is required by October. We are hopeful to see the majority of the park site work completed in August, with a playground and some small shelters being installed in August or September. The Splashpad and Main Pavilion are being bid out in July with a hopeful completion by Memorial Day of 2024.
- **Summer Projects** – The Village slows down in the summer, but we are continuing to work on several other projects – the Wastewater Treatment Plant construction, the Government Center Remodel and Addition, High Street demolitions, updates to Zoning regulations, and much more. We are hopefully going to be able to make some exciting announcements about projects coming to the Village in the coming months! Be sure to check out the website to see updates on all projects going on in the Village. If you have any questions about projects, please reach out directly to the Village for information.
