

VILLAGE OF COVINGTON

POLICY – VS – 04-22 PUBLIC WORKS POLICY – YARD WASTE BAG REMOVAL

The Village of Covington employees perform trash / garbage and recycling on Monday, Tuesday, and Wednesday for standard weeks. If a holiday is on one of those days, most often a Monday, service will be delayed for a day. Severe weather or other emergency may result in a delay or modification to the trash schedule.

The Village will post on its website and through social media when delays are necessary or known.

GRASS BAG COLLECTION

The Village will collect purchased paper yard waste bags that are less than 50 lbs. with specific yard waste materials in them on the same day as standard collection for residential properties within the Village of Covington.

The list of acceptable materials within a yard waste bag will be as follows:

- Grass clipping
- Brush, leaves, twigs

Materials which are not permitted within a yard waste bag are generally:

- Trash, recycling
- Large sticks or branches
- Dirt
- Stumps
- Natural wood products

Collection of yard waste bags which include grass clipping, brush, or other similar materials will be collected on the same day as the standard collection day for the property.

Grass bags are collected as part of the standard trash collection fee.

Policy Last Updated: April 2022
