The following is the Covington School Resource Officer Report for January 2023.

The school year is flying by and I believe that we are already through the month of January. This month I was able to teach a few classes to our students and staff and I enjoyed having a lot of positive interactions with all of them.

On January 11, I taught CPR in two different class periods to Mr. Tobias Health class. This is a state requirement for the students to have received this course for them to graduate.

On January 12, I met with our K-6 staff members and we did some tabletop exercises to what is expected from them if certain situations were to happen during the school day. We went over four very different scenarios and all of our staff were able to ask questions.

On January 13, I attended the boys' varsity basketball game as we hosted Miami East.

On January 27, I taught two students INDEPTH, which is our vape class that is put on by the American Lung Association to educate our students who are caught vaping in school.

On January 30, I observed our FFA students practice giving presentations for their upcoming contests.

On January 31, I taught INDEPTH to another student who was caught vaping at school.
