

VILLAGE UPDATES

New Village Website

- As you may have noticed already the Village has a new website – www.villageofcovington.com which is much easier to navigate and find documents.
- The Village has also incorporated our new branding logo and seal into the website.

Schoolhouse Park Project

- More great news related to the funding of Schoolhouse Park happened in May with the Miami County Foundation granting the Village \$14,000 for the construction of a pavilion in Schoolhouse Park, and the Roy J. Weikert Trust pledging \$100,000 in support over 10 years for the park.
- With the RJW Trust support the Village will be able to construct the amphitheater as part of Phase 1.
- Groundbreaking for Schoolhouse Park will take place at the end of June.

High Street Project

The project is underway and moving quickly. Phase 1 from Dodds Street to Spring Street is currently closed and detours have been posted. There have still been issues, but the Village is working with ODOT and the contractors to be as proactive as possible, which has made this project go much smoother.

Phase 2 will be from Spring Street to Wright Street and will begin once Phase 1 is completed.
