COVINGTON COUNCIL NEWS | Issue 112 | May 2022

Covington Government Center | 1 South High Street | 8AM- 4:30PM Monday – Friday | 937.473.3420

## SPRING POLICY REMINDERS

### Trash / Recycling Collection

- Trash must be bagged, secured, and placed inside a toter
- Toters must be placed at the curb by 7AM on your trash day and returned to your property by 7PM.
- Toters must be clear of any obstruction (2 feet around) so the trash trucks can reach them.
- Bulk Items are collected by a separate truck at a separate fee. Please call the Village to schedule pick up of any bulk items and to learn what the Village will and will not pick up.
- Recycling does not require separate bagging in the toter.

### Tree Limb / Brush Pick up and Chipping

- The Village picks up tree limbs / brush at no fee (with restrictions), generally on Fridays.
- Please call the Village to schedule the pickup of limbs or brush.
- Any limbs or brush placed out on other days will not be picked up.
- The Village provides this service at no charge and therefore does not prioritize this collection over paid services provided by the Village, such as trash or recycling. The Village will do its best to collect and remove limbs and brush weekly over the summer months, but no guarantee is made of collection or a timeline. If you need brush or limbs removed on a specific date or time, please contact a lawn or tree service to do so.

### Lawn Mowing into the Street

- Please DO NOT mow any grass into the street as it causes a substantial safety issue and potentially can clog drainage areas.

### Notes for the Month of May and Beyond:
