To: Chief Lee Harmon

The following is the Covington School Resource Officer Report for May 2022.

With the month of May being the last month of school there were several positive things that I was able to do with our students. As the school year comes to a close, I can say that I had a lot of fun with our students.

On May 19, I taught CPR to the freshman health class with Mr. Tobias and Nurse McCord. The students have to be instructed on CPR for a requirement for graduation from the state. The students all demonstrated how to do chest compressions successfully. We broke the kids down into groups of three or four and they all had a few hours of total instruction on CPR.

On May 24, was Elementary field day. I was able to help with several of the activities. I helped Mr. Long set up at the park for the K-6 grades to come down for lunch. I helped prep the food and grill hot dogs. I also helped serve the kids. I also was able to play a round of wiffle ball with the second-grade class. I believe this is one of the best positive interactions that I had with the kids all year.

On May 25, I watched the K-6 talent show. The kids presented their talents such as singing, karate, comedy, and dancing. The kids did a great job and it was fun to watch. The kids performed these acts in front of the whole elementary school.

On May 29, I went to Hobart arena for our senior student's graduation. Congrats to our seniors on their accomplishment.
