VILLAGE PROJECT UPDATES

High Street Project

- The project is completed, except the light poles and traffic lights are not yet delivered. They are scheduled for January / February 2023.
- The temporary traffic lights are on and will stay until the official poles are delivered and installed. Timing for the lighting at the SR48/SR41 and SR48/Bridge Street intersections is being worked on by ODOT to make the temporary lights more efficient. Continuous effort will be made to get the temporary lights to work better until we get the permanent lights in.

Schoolhouse Park Project

- The demolition of the old Rudy Property began the week of October 24th.
- Bids for the construction of Contract A (Pavilion/Splashpad), and Contract B (Amphitheater) will be considered at the November 7th Council Meeting.
