

VILLAGE PROJECT UPDATES

High Street Project

- The project is completed, except the light poles and traffic lights are not yet delivered. They are scheduled for January / February 2023. The temporary traffic lights are on and will stay until the official poles are delivered and installed.
- Photos of the project and a recap of the project process is available on our website for review. The project wrapped up faster than scheduled and on budget!
- Although there were many issues along the way, the Village really appreciates the positive support and comments on how the project turned out.

Schoolhouse Park Project

- The Village did not receive any bids on Contract A or Contract B for the park, unfortunately. The Village will be rebidding those Contracts the first week of October.
- The Village did receive a bid for Contract C, which was the demolition of the old Rudy Property, which will be formally accepted at the October 3, 2022 Council Meeting.

Notes for the Month of October and Beyond:

- Village Council meetings are on October 3rd and October 17th, please join!
- The Government Center is closed on October 10th for Columbus Day and trash service the week of the 10th will be delayed one day.
- Curbside Leaf Pickup will begin in late October. Our Public Works Department will complete the pickup as the schedule allows, but will continue through the first week of December, weather permitting.
- Optimist Costume Contest will be held on October 25. Check out the Village website for more information.
- Halloween Trick-or-Treating will be held on October 27 from 6-8PM.
