To: Chief Lee Harmon

The following is the Covington School Resource Officer Report for September 2022.

For the month of September there were many things that I was able to be included in to have positive interactions with our students and staff.

On September 1, I met with the student leaders about their safety patrol project. The students and I came up with some great ideas on how to advertise safety patrol to students and staff.

On September 6, I met with installers for vape sensors. Install is set to take place starting on October 11 of this year. The vape sensors will be installed in all bathrooms and locker rooms to deter out students from vaping in school.

On September 14, students were having a contest on who could hammer a nail the fastest in Ag class. I competed against several different students. The students seemed to have a good time with it.

On September 15, I met with the FFA students on safety patrol again. We planned a time to make a video to present to the staff and students.

On September 16, I worked the home football game as we hosted Bethel.

On September 23, I helped the safety patrol students with the creation of a video.

On September 30, I worked all of the Homecoming festivities and the parade that started at the school and ended at Smith Field.
