Resolution R17-22 – Authorizing Health Insurance Renewal for 2022

Mr. Hinkelman discussed Resolution R17-22 which is the annual renewal for Health Insurance for Village employees. He explained the options provided to employees again and noted the rate changes and benefit changes. He noted that due to the Village's small employment and our current experience, this is likely the best option that the Village can get.

Mr. Canan asked how the Village decides on the HSA contribution each year. Mr. Hinkelman noted that the contribution is made through the resolution and can be changed annually. He noted that it is a budgeted number, so if Council would want to change the annual contribution, he would recommend they do that through the Budget process, to assure the funding is available.

Mr. Reynolds motioned to waive the three-reading rule on resolution R17-22, seconded by Ms. Duff. Mr. Canan abstained. All remaining ayes. Motion passed.

Mr. Reynolds motioned to approve Resolution R17-22, seconded by Mr. Warner. Mr. Canan abstained. All remaining ayes. Motion passed.
